

To Whom It May Concern:

Gabriel Gutierrez has been a friend for over five years now. Since then, we have worked together on many dealings and I would recommend him without hesitation. He is an ambitious person with a great potential. Gabe would be beneficial to an organization with a position that exploits his strengths. He is a very likable guy with a lot of professional connections.

I have enjoyed getting to know Gabe over the years personally as well. He has a good heart and is a loving individual. We have been able to experience the ups and downs of life together through our friendship.

Please feel free to contact me with any questions you may have in reference to Gabriel Gutierrez.
