

To Whom It May Concern:

It has been a pleasure to personally know and have worked with Gabriel Gutierrez. I would recommend him professionally as well as personally. He is a very driven individual with a positive attitude.

I met Gabe through our church. In the time that I have known him, we have engaged in a couple of business dealing by association or referrals. Gabe has many skills and can be a valuable asset to an organization.

If you have any questions, please do not hesitate to contact me to the information listed in the signature of this letter.
